

# January Challenge

**CHRISTMAS** is a **SEASON**, not just a day. In the spirit of **CHRISTMAS LOVE**, we are challenging you to conduct **three** acts of kindness each day (just like the **three** gifts brought by the Wise men). We would like you to try and share this kindness with the three families that we belong to...

1.) **The Holy Family** - Say an extra prayer each day in honor of our Holy Family. Practice the Our Father and Hail Mary and pray Grace before meals. God loves to talk to us!

2.) **Our Church Family** – Volunteer in the community, help a neighbor, shovel their driveway, visit with them. Donate an item to the Food Pantry, donate socks or warm clothes to those in need, etc.

3.) **Your Own Family** - Hug Mom and Dad, thank them for all they do, call your grandparents, play with your brother or sister, help without being asked, smile, listen more, forgive.

Don't forget to share photos or videos of your challenge with us by using the [Religious Education Submission Form](#) on the website!
