St. Francis de Sales has established an account to facilitate direct charitable stock donations:

UBS Financial Services Inc.
945 West Norton Avenue
Muskegon, MI 49441-4105

DTC # 0221
Account Number DC 29687
Cecilia Hinkle-Wisniewski, Financial Advisor
231-739-9502

Because state and federal laws govern most charitable contributions, you should obtain the service of an attorney, accountant or other professional tax advisor when making charitable contributions.

Please contact the Business Manager when you make a stock donation. Please provide the number of shares, stock type, and offertory designation (Regular weekly donation, capital campaign, etc.). When the month end report from UBS is received, your contribution to St. Francis will be updated for the date of donation with the current market value of the stock at the donation date and if requested, the Business Manager will inform you of the value at that time.

The Business Manager's contact information is as follows:

Janet Coyle

231-755-1953 (234)

Please call me if you have any questions.
