Dear SJCS Families,

This letter is to announce to you that our 20-21 School Year start date will be **Aug. 17, 2020**. We are excited about starting the new school year and welcoming back our students. We have been busy completing safe reopening plans and will be sharing those with you very soon.

Our school year will be a new model of partial days and rotating schedules for face to face instruction with details to be specifically planned by the teachers the week of August 3-7. We will send out that information by the end of next week.

For those of you who prefer the distance learning option for your child to start the year, the Archdiocese will be able to provide this opportunity. More information will follow when I receive those details from their office.

Our goal is to have all students on campus by Sept. 8.

The SJCS faculty, staff and I welcome your prayers and as always we are blessed by your constant support.

United in Love,

Johanna Lopez
Principal
