Dear St. James Catholic School families,

We are having a great school year at SJCS and we look forward to seeing your child next school year (21-22). This year we have adapted to the changes that COVID-19 has brought, made adjustments and kept our students and faculty safe and healthy. We appreciate that families have made the COVID protocol changes successful and have supported us throughout this year.

We continue to provide an enriching academic experience as well as deliver an exceptional Catholic education where we inspire faith, foster lifelong learning and encourage service.

Registration for the 2021-2022 school year is now open and if you register by May 31st you will receive \$100.00 off the registration fee! Our current students are a priority.

While we focus on academics with a prayerful spirit, the staff and I plan protocol SAFE and FUN activities for our students. Examples of this year's activities include monthly Art Contests, monthly PE Challenges, monthly Accelerated Reader Challenges, lunch once per month for students and staff provided by donors, All As and As & Bs awards = Out of Uniform and No Homework passes.

Upcoming events:

- NWEA test window – April 12th-30th.
- Teacher Appreciation Week – May 3rd-7th.
- May 7th – Early dismissal/Teacher professional development.

Thank you families for sending your children to St. James Catholic School.
