DENTAL EXAMINATIONS

Dear Parents/Guardians:

Pennsylvania requires dental examinations for all students entering grades 1, 4 and 7. It is preferable to have your dentist examine your child since he/she can provide preventative dental care and treatment.

Your family dentist may complete the dental examination form, on the back of this page, any time after January 1, 2021. Please have the completed dental exam form returned to the school by the beginning of the 2021-2022 school year.

If the dental form is not received by November 1, 2021, the school district's dental hygienist will evaluate your child's teeth.

Thank you for your cooperation,

Christine M. Robinson RDH, BS

Estimados Padres/Guardianos,

Durante la primavera de este año mandamos una noticia a casa para informar a ustedes que el estado de Pennsylvania exige que todos los estudiantes en los grados 1, 4, y 7 tengan un examen dental. Si usted no ha regresado el formulario dental y su hijo/a ha visto al dentista, por favor regrese el formulario fijo.

Su dentista familiar podrá llenar la forma de evaluación dental en cualquier momento después de enero del 2021. Si para el de diciembre del 2021 no hemos recibido esta forma o no se nos ha informado por escrito del resultado de la evaluación, su hijo será evaluado en la escuela por el dentista del distrito escolar.

Gracias por su cooperación,

Christine M. Robinson RDH, BS
