**Weekly Reflection ~January 27
3rd Sunday in Ordinary Time**

Have you ever felt like you had nothing to offer others, that your life was without meaning? Consider that God chose to create you in this time, in this place. God has given you certain abilities that you are expected to develop and use. Paul used the image of a body to remind people that each of us has an important role in the life of the community—even if it is a “hidden” one. If you are not using your abilities, then the whole body—the community—is not functioning as well as it could. Pray to understand what your abilities are and how to use them.

“You, then, are the body of Christ. Every one of you is a member of it.”

Isaiah 62:3
