**Weekly Reflection ~March 17  
2nd Sunday of Lent**

*It is easy to talk about Christian values but the real challenge is to live them. Lent provides us with a good time to take stock of our lives. What is your heart set upon? How important are your possessions? Are you willing to go into debt to get that new what-not? Are you focused on acquiring more and better things? How does that square with your faith? How often do you look at what you have to give or share with others? This week try to observe what you focus on and care about and how it reflects your faith.*
