Weekly Reflection ~ December 22
Fourth Sunday of Advent

The Scriptures often speak of signs from God and it is easy to think such things are just tales from a bygone era. But God continues to send us signs everyday. The problem is that we have forgotten how to spot them. We are so busy with our own thoughts and plans we don't even think about God's plans. From the golden rays of the morning sun promising a new day to the gentle colors of the sunset blessing the day and calling us to rest, there are signs for those who see. Look for the signs and pray for the grace to see and understand them.
