Weekly Reflection ~ March 22
Fourth Sunday of Lent

It is tempting to think that when things are going well it is because God is pleased with us and when they aren't that we have done something "wrong". Perhaps, this kind of reasoning is more "comfortable" than the alternative which is to take responsibility for the choices we have made. Such an attitude also does a disservice to God. He is not keeping a tally to determine punishments and rewards. God is constantly pouring out his love and grace in the midst of good and bad times. Do you believe that God loves you all the time?
