EMBER DAYS OF PENTECOST

One longstanding practice of the Church to grow in holiness is observing the Ember Days that correspond, at least approximately, to the transitions in the natural seasons of winter, spring, summer, and fall, and assist us in deepening our relationship with the Lord and His Church. The Ember Days are actual liturgical days in the Traditional liturgical calendar. And those days are the Wednesday, Friday, and Saturday of the third week of Advent, the first full week of Lent, Pentecost week, and the first full calendar week after September 14, the Feast of the Exaltation of the Holy Cross. In observing the Ember Days, we raise the bar of self-denial in order to grow more trusting toward God. In addition to penance and works of mercy, this centuries-old pious practice entails abstinence from meat on Ember Wednesday, Ember Friday, and Ember Saturday.

Wednesday, Friday, and Saturday of this week are the Ember Days of Pentecost, also known as the Ember Days of Summer. Please give prayerful consideration toward adopting this age-old Catholic practice that assists in the acquisition of grace.

In Christ,
Fr. Michael

Weekly Reflection ~ May 31 **Pentecost**

Pentecost celebrates one of the most important gifts we have been given: The Holy Spirit. The Spirit is our companion and guide through life. The Spirit, if we are open to it, will help us see what we are called to be and do. Through the Spirit we discover our gifts and how to use them for the benefit of the whole community. How open are you to the promptings of the Spirit? Do you take some time each day to ask the Spirit for help and guide you? The Spirit speaks to us in many ways - through the silence in our hearts and through people we meet, even casually throughout our day. Pray to become more attune to what the Spirit is saying to you.
"When you send forth your spirit, they are created, and you renew the face of the earth."

Psalm 104:30
