***Weekly Reflection ~ September 6
23rd Sunday in Ordinary Time***

The Ten Commandments give us a list of "rules" to follow if we want to obey God. They are very simple and yet volumes have been written to "explain" what they mean. There is a level of comfort in having such a list. But then, Jesus comes along and says it all boils down to loving God and your neighbor. Doing the loving thing, treating people with love is not easy - some are just not very lovable! Still that is what we are to do. Pray for a deeper understanding of what it means to love others and when examining your conscience, look at how well you have loved others.
