Choosing to L.O.V.E. is a retreat for couples seeking to enrich their marital commitment, by focusing on what brought their covenant into existence - their marriage vows. It is not a weekend for couples experiencing serious problems in their relationship, but for couples seeking to be faithful to their marriage vows and in need of strengthening the core of who they are as husband and wife.

The retreat will be held at the Spiritual Renewal Center, on February 14 - 16, 2020. The cost for the retreat will be \$275.00 per couple, which includes lodging, food and materials.

**Weekly Reflection ~ January 24
Third Sunday of Ordinary Time**

*Paul's first letter to the Corinthians has often been used as an argument for the superiority of a celibate life. But Paul's focus was really on leasing the Lord who would be returning very soon. What your state in life was - single, married, rich, poor, free or slave - was of little importance. What mattered was how you were living your life. Sharing what you had, encouraging others, and treating everyone with love and respect are the things that really matter. In that way, you would be ready when the Lord returned. Doing God's will should be our goal and any distractions should be unwelcome. What keeps you from focusing on the Lord? Consider how you could make your life become more pleasing to God?
"Come, let us bow down in worship; Let us kneel before the Lord"
Psalms 95:6*
