## **Synod 2021 2023**

### **What is it and why is it important?**

The Synod on Synodality” called by Pope Francis is a term that means “coming together or traveling together.”

This process of Synodality that started in October will be happening in every parish worldwide. It is all of us – the people of God - praying to the Holy Spirit and then coming together to discuss our views on our Church and Faith community. After our parish finishes its listening sessions, the information from these sessions will be given to the Archdiocese and then the bishops.

The bishops will then gather in faith that the prayers and discussions will reveal God’s will and the way to achieve it in governing the church. The synod format is designed to make church governance more open and inclusive of all its members. We hope everyone will be involved in the process when we begin in the new year.

Please pray that we will all be open and hear the Voice of the Holy Spirit when we gather in January.

**PARISH BIBLE STUDY** Tuesday mornings at 10:30 am. Email the office to sign up

**PRAYER TEAM:** If you would like prayer, please email the office with your intention.
