

**Come Holy Spirit  
Speak to Our Hearts  
Your Holy Will**

**For our Church and Church Community**

“The Synod on Synodality” called by Pope Francis is a term that means “coming together or traveling together”.

The process of Synodality that started in October 2021 is happening in every parish worldwide.

It is all of us – the people of God –praying to the Holy Spirit and then coming together to discuss our views on our Church and Faith community. We will be given open ended questions at that time to ponder, pray with, and discern the Holy Spirit’s Voice as He speaks to our Hearts.

We will then meet on Zoom for listening sessions (January) or write down our heartfelt Spirit-led reflections and ideas. After our parish has gathered our views, the Archdiocese and then the bishops will receive our thoughts, and opinions. The bishops will then gather in Faith that the prayers and discussions will reveal God’s Will and the way to achieve it in the governing of the Church. The Synod format is designed to make Church governance more open and inclusive to all its members.

We hope everyone will be involved in the process when we begin in the new year.

**PLEASE PRAY THAT WE WILL OPEN OUR HEARTS AND HEAR THE VOICE OF THE HOLY SPIRIT  
BESTOWING ON US HIS LOVE AND DISCERNMENT FOR THE GOOD OF US ALL AND THE CHURCH.**

**WE INVITE YOU TO JOIN US WHEN THE TIME COMES FOR A SPIRITUAL JOURNEY LED BY THE HOLY SPIRIT**
