Church and Rectory Roofs Update

The roof work continues, and the big dumpster arrived! Please be aware of the loose/falling rocks and roofing nails (I've already found a few) as work continues. Both stone/rock roofs will be removed and replaced with metal roofs. The architect is Jim Whitten of Austin and the contractor is Jon Riggs Construction. I will keep you informed as to dates, so we can minimize our movement while the work is going on. Thank you to all who have made this possible by years of giving.

COVID-19 NEWS

The Bishop has decided to end the bodily dispensation from the Sunday obligation on October 1, 2020. He encourages those still concerned about returning to make a good judgment for their individual/family health and safety as to return or not; especially those with underlying conditions, and those who feel they may have been exposed. I will update on any protocol changes for attendance as I get them. If you do come for Mass, remember to wear a mask (masks are available at entrance) and stay six feet apart. Hand sanitizer is throughout the church.

A Prayer for Vocations

Loving and gracious God, Father of all, you bless your people in every time and season and provide for their needs through your providential care. Your church is continually in need of priests, sisters, and brothers to serve you and one another. Open the hearts of your sons and daughters to listen to your call in their lives. We ask this through Christ our Lord. Amen.
