Safe Environment Training

Thursday, August 19, 2021 6:30 p.m. – 8:30 p.m.

Adults within the parish involved with youth ministries, Religious Education teachers and aides, as well as adults who come into contact with vulnerable adults are required to complete Safe Environment requirements before ministry. We have such a SAFE/CPC training class on August 19, 2021. Prior to attendance you must complete a successful Background Security Check (BSC) which is available on the Diocese of Victoria website (www.victoriadiocese.org) in the SAFE ENVIRONMENT tab. This class is being offered in the CCD building. If you would like to attend or for more information, please call the parish office at 645-3095.

CCD Registration

During August, we continue to register for all grades 1-10. Please let other families know. The information/forms are also on the website.

Families: if you would please indicate on the rosters in the church bulletin board, whether your child will be attending. Of course we will still be practicing safety.

Teachers: We are good on teachers. We still need aides for some classrooms. If you are interested please call the office and let me know. You will have to be SAFE Environment trained, etc. I will let you know when the in-service will be, probably after Labor Day.

If you know of someone of age that should be in the Sacramental preparation classes (1-2, or 9-10), please let them know. Thank you.

Praying the Rosary in August

Make plans now. The fifth Sunday of August we will pray the rosary before each Mass. It is prayed at 4:30 p.m. each Sunday at La Bahia!

Church Maintenance

The years of winds, rain, hurricanes, etc. have compromised the strength of the stained glass windows on the south side of the church. When I arrived, there were cracks in several of them, including the south main door and cry room. This has continued to get worse with the windows arching and bowing in by several inches. We are addressing the issue or risk losing the windows by having them fall in and/or be damaged beyond repair. I know it sounds quite dramatic, but it’s unfortunately the reality. The upper panels were removed and repaired in-studio in 1994; they do not need further work! We are planning to have twenty-four panels re-set and strengthened so that we can hopefully see another thirty years! The original maker’s son and company will be executing the work; Cavallini Glass out of San Antonio, Texas. I will keep you informed as to the work. My hope is that all will be done by Christmas. The windows will be removed and taken back to their studio for recasting. Plywood will replace the missing panels until they return. Thanks for your understanding.

Parish Festival – October 17, 2021

Mark your calendars! The parish festival is only three months away. This year we will have the **BIG ticket raffle, a catered Turkey and Dressing Meal available as dine-in or to-go plates, and Grocery-Game Bingo**. We will also be debuting an online Quilt/Afghan auction (they will also be able to be seen in the church entrance). There will not be an auction this year.

Please consider giving a donation to defray the cost of the parish festival. Although we do not have to pay for the meat this year, we do have to pay the caterer. And we will have expenses for the raffle. Consider making a donation using the festival envelopes that will be available in August. More to come!
