Holy Family Day School

Registration: The Day School is THE place where "Children Come First!" We accept students age 2 1/2 and toilet trained, up through Kindergarten. Our teachers utilize a thematic-based, age-appropriate program that will spark your student's love of learning. We keep our class sizes small so that each child will receive individualized attention and the teachers may focus on the development of the student as a whole person. The entire school attends Chapel every morning and each student has a religion book which they work on in class. If you would like more information about our ongoing registration, please visit our website at www.holyfamilydayschool.org and our Facebook page to see how much fun the students have – WHILE LEARNING! To schedule a tour of the school, please call the office at 481-1180.

HOLY FAMILY CATHOLIC BOOK CLUB:

Our book for June is “*Gilead*,” by Marilynne Robinson – A story of three generations from the Civil War to the twentieth century – a story about fathers and sons and the spiritual battles that still rage at America’s heart. In the luminous and unforgettable voice of Congregationalist minister John Ames, “*Gilead*” reveals the human condition and the often unbearable beauty of an ordinary life. “*Gilead*” won the 2005 Pulitzer Prize for Fiction.

We will meet Tuesday, June 10, at 7:00 p.m. in the Library. Please contact Tiffany Watson at DRE@holyfamilyvb.org or Mike McCormick at sixmcc89@gmail.com for more information.

LIGHTHOUSE CATHOLIC MEDIA: Busy? Are you busy? What a silly question! We all live busy, busy lives. But the real question is ... are you too busy to take advantage of a learning experience that literally comes to you, wherever you are. All you need is a CD player (or a computer)! In the car on the way to work or during car-pool ... while standing at the kitchen sink doing dishes ... while exercising ... you can now deepen your understanding and love for The Faith!

There are many different CDs in an attractive wooden display stand. Featuring some of the most inspiring Catholic speakers – some of them are entertaining, others are completely captivating while all of them are easy to listen to. A small suggested donation of just \$3.00 per CD and \$.50 per brochure is all that is needed to continue this program. All the funds will be used first to pay for the CDs that we currently have, and then to order in the next set.

* You can write a check if you want – make it out to Holy Family Catholic Church. Make sure to take advantage of this opportunity!

"CARE FOR OUR EARTH:"

The Season of the Earth, observed from April 5 to June 30, is a time period set aside to encourage people to keep mindful of the Earth with Her gifts, Her need for our thoughtful care, and to deepen our respect for Her. This celebration is an appropriate occasion to make the ST. FRANCIS PLEDGE. We are familiar with St. Francis and his simple lifestyle, his love for all creatures in whom he experienced Yahweh. The Pledge exemplifies St. Francis, and with some adaptation, follows:

PRAY and reflect on our responsibility to care for Yahweh's creation and protect the poor and vulnerable;

LEARN about and EDUCATE others on the human activated causes and moral dimensions of climate change;

ASSESS how we as individuals and in our families and parishes contribute to climate change by our energy use, consumption, waste, etc.;

ACT to change our choices and behaviors to reduce the ways we contribute to climate change.

Maybe you can make this pledge and renew it as you begin your day? Or perhaps, you as a family can make this pledge and renew it 2-3 times a week at dinner. Like all pledges, they are not just a recitation of words; they call for a follow-through!
