

Saint John Vianney

CATHOLIC SCHOOL

Inspired by Faith, Driven by Excellence

November 19, 2020

Dear SJV Supporter:

In the midst of so much uncertainty, we are given many reasons for reflection and gratitude. St. John Vianney School has many reasons to be thankful—we see it in the faces of our students each morning, we experience it in the involvement and service of their parents, and feel it in the prayers of all SJV supporters.

Since our school first opened its doors in 2003, we have been guided by the principle of providing a quality Catholic education to families living in the areas north of Nashville. The coupling of Christian values with strong academics allows us to build a lifelong foundation of love of Christ, as well as love of learning. We are proud of what we have been able to accomplish and the programs we are building including a Violin and a STEM program.

We are committed to making SJV a truly great Catholic school—but we can't do it without your support and help. Tuition only covers 62% of the expense of the cost to educate a student. The remainder of funds come from the generosity of our parish, our Diocese and the families and friends of our students.

I am excited to announce the new SJV Annual Fund Campaign initiative. Most Catholic schools in the Nashville diocese, with the exception of St. John Vianney, conduct an annual fund campaign. As we look to the future, an annual fund campaign will help us ensure on-going success for our students. I ask that you consider a contribution to our annual fund. Your gifts are instrumental in providing our students the tools and opportunities to learn and grow.

Your financial support will impact every student at SJV. It allows us to hire and retain the best teachers and staff, while granting them access to necessary technology and current educational trends. Your contributions provide materials for extracurricular activities and resources for in-school projects. Your gifts help a student stay in Catholic school, when his or her family is burdened with financial hardship.

For easy giving, you will find an ONLINE GIVING link [HERE](#). You may also find a donation card link [HERE](#). Please print it out, complete it and return it to the school office. The amount you are able to contribute is not nearly as important as your participation. Our goal is for all SJV families to participate in the Annual Fund through financial or “prayer donations”. What matters most is that everyone contributes in some way. Please visit our [website](#) for my information about our Annual Fund and our amazing school. Thank you for your commitment to our school through your generosity and service. We are better because of your involvement.

Yours in Christ,

Natalie Eskert

Principal
