Dear SJV Supporter:

St. John Vianney School has many reasons to be thankful—we see it in the faces of our students each morning, we experience it in the involvement and service of our parents, and feel it in the prayers of all SJV supporters.

The coupling of Christian values with strong academics, allows us to build a lifelong foundation for a love of Christ, as well as love of learning. We are proud of what we have been able to accomplish this year including a brand new bus, new laptops for all the teachers, and the addition of 5 interactive Smartboards to name a few. Let's not forget to mention our ever-growing violin program and the installation of our Knights of Columbus STEM Creation Space.

We are committed to making SJV a truly great Catholic school—but we can't do it without your support and help. Tuition only covers 62% of the expense of the cost to educate a student. The remainder of funds come from the generosity of our parish, our Diocese, and the families and friends of our students.

I am excited to announce the new SJV Annual Fund Campaign initiative. Most Catholic schools in the Nashville diocese, with the exception of St. John Vianney, conduct an annual fund campaign. As we look to the future, an annual fund campaign will help us ensure on-going success for our students. I ask that you consider a contribution to our annual fund. Your gifts are instrumental in providing our students the tools and opportunities to learn and grow.

Your financial support will impact every student at SJV. It allows us to hire and retain the best teachers and staff, while granting them access to necessary technology and current educational trends. Your contributions provide materials for extracurricular activities and resources for in-school projects.

For easy giving online giving, including a monthly payment option, please click [HERE](#). You may also print out a [donation card](#), complete it, and return it to the school office. The amount you are able to contribute is not nearly as important as your participation. Our goal is for all SJV families and parishioners to participate in the Annual Fund. Please visit our [website](#) if you'd like more information about the Annual Fund and our amazing school. Thank you for your commitment to our school through your generosity and service. We are better because of your involvement.

Yours in Christ,

Natalie Eskert
Principal
