

Saint John Vianney

CATHOLIC SCHOOL

Inspired by Faith, Driven by Excellence

October 19, 2021

Dear SJV Supporter:

St. John Vianney School has many reasons to be thankful—we see it in the faces of our students each morning, we experience it in the involvement and service of our parents, and feel it in the prayers of all SJV supporters. Let's not forget the immense gratitude for spreading the good news about all the wonderful things happening in our school. Enrollment is up to 106 students and still growing!

We are proud of what we have been able to accomplish this year including new bus routes to/from Hendersonville and Lebanon, new devices for all teachers and students, the expansion of our Pre-K program and soon Middle School, new innovative curriculum and textbooks in every subject, the installation of our Knights of Columbus STEM Creation Space, and the addition of brand new interactive Boards in every classroom.

We are committed to making SJV a truly great Catholic school—but we can't do it without your support and help. Tuition only covers 62% of the expense of the cost to educate a student. The remainder of funds come from the generosity of our parish, and the families and friends of our students.

I am excited to announce the 2021-2022 SJV Annual Fund Campaign. As we look to the future, an annual fund campaign helps us ensure on-going success for our students. I ask that you consider a contribution to our annual fund. Your gifts are instrumental in providing our students the tools and opportunities to learn and grow.

Your financial support will impact every student at SJV. It allows us to hire and retain the best teachers and staff, while granting them access to necessary technology and current educational trends. Your contributions provide materials for extracurricular activities and resources for in-school projects.

For easy online giving, including a monthly payment option, please click [HERE](#). You may also print out a [donation card](#), complete it, and return it to the school office. The amount you are able to contribute is not nearly as important as your participation. Our goal is for all SJV families and parishioners to participate in the Annual Fund. Please visit our [website](#) if you'd like more information about the Annual Fund and our amazing school. Thank you for your commitment to our school through your generosity and service. We are better because of your involvement.

Yours in Christ,

Natalie Eskert
