Note: 1. Our parish temporary requirement for now during this COVID-19 pandemic is to have one lector for each mass. Please do not be disappointed if you did not get into the schedule even if you have notified me of your availability. I try to give a chance to those who have not been able to be assigned as lector specially for the 8AM mass as there are at least 8 lectors available.

(May God bless you in your ministry. Thank you. Dan Lanuzo)
