BBQ CHICKEN DINNER

Dear Parishioners of Sacred Heart Parish,

Please consider giving a donation for preparing and baking of the pies for our December 5th chicken dinner!

Thank you all for contributing in the past to help offset the expense of the pie preparation for our last dinners. Once again, we cannot accept pies baked at home for this dinner due to state health regulations.

Fortunately Annie Gilland and her crews will again be able to bake these pies for us in our licensed kitchen. We are asking for financial support from you to offset the expense for the ingredients to prepare these pies. They will bake over 1,000 pieces of pie for us.

Please prayerfully consider giving a donation and thanks for your support for this parish activity.

WE NEED YOU! Please help us spread the word about our upcoming BBQ Chicken Dinner. Post it on Facebook, email or call your friends and family, tell coworkers!
