

The adoration chapel is not being closed during the current pandemic restrictions. If you are in a vulnerable health or age category, and don't feel you should go, or you can't attend, then don't go. The person with the hour before you will cover the monstrance.

I am asking that only adorers with assigned hours be in the chapel during the quarantine. This is for the health and safety of you and your family, and for the health of people with assigned adoration hours. All adorers must wear a face mask while in the church and the adoration chapel.

You may open the glass doors during your hour for ventilation. Please use the restroom **in the chapel**, as it will be cleaned daily. The church restrooms are closed.
