

Father James has resumed hearing confessions. Here are the details:

- Confessions will be on Saturdays from 3 PM until 5 PM or until finished.**
- Father will hear confessions in the entry of Sacred Heart Church.**
- People will need to line up 6 feet apart, outside along the covered walk on the school side of Sacred Heart Church. One of the doors, facing 7th street, will be propped open, so no one will have to touch the door.**
- Father will be over by the doors on the bell tower side of the church entry.**
- We will have a screen. The Archdiocese has recommended that we do not have face-to-face confessions at this time.**
- Penitents will walk up to the screen. There will be no kneeler and no chair. People can simply stand behind the screen, confess and then receive counsel, penance and absolution.**
- Penitents can EXIT through the same propped open door they entered. We want to keep to a minimum items that people have to touch.**
- Father will put the CD player in the sacristy window and play music so the people waiting will not be able to hear the confessions inside.**
