Thank you for supporting this wonderful outreach. The basket will be in the Church Entrance until Father's Day (June 17, 2018)

LIVING GOD'S WORDS

Today, Jesus boldly seems to reject his biological family in place of those who do the will of God. In this passage Mark emphasizes how crucially important the will & reign of God is for Jesus. To identify those who do God's will as having the same status as blood relations is a powerful way to do this.

PROMISES

Today's liturgy is full of promises. The reading from Genesis promises a final triumph over the power of sin and a return to a new creation. The reading from Second Corinthians promises that all who follow Christ will have to struggle. It also promises, however, that we can persevere if we but recognize that Christ is within us, renewing us daily, and giving us the courage and the strength we need to endure. The Gospel promises that doing God's will makes us "family" with Jesus, who forgives all sin and triumphs over evil.

Today might be a good day for us to make some promises as well. We can promise to stop kidding ourselves about our own tendencies to selfishness and sin. We can promise ourselves to believe—really believe—that while we are not sinless, we are forgiven. We can promise ourselves to combat evil and sin by acting as sisters and brothers not only to the Lord, but to one another as well.
