Fr. Pablo's Installation by Archbishop Joseph Kurtz, Sunday, September 12 at the 10:30 am mass. There will not be an 8:00 am Spanish mass that morning.

Due to the widespread increase in the number of COVID cases due to the Delta Variant, we feel it necessary to cancel the reception following Father's Installation.

What is the Installation

Most simply from the perspective of the parish, the installation is the reception of a new pastor. The parish receives the pastor as the delegate of the bishop. This act of reception should indicate a willingness of the parish to receive a priest's ministry. It can also be a welcome, an act of support, a mutual affirmation of faith, a prayerful intercession for the future.

An installation is an official designation and support by the Archbishop for the priest's ministry. In the installation the priest assumes a relationship to the Church which gathers at that parish. It is there that he extends the ministry of the bishop.

The rite of installation is an opportunity to say a pastor and parish are in communion with the Church. In this wider view we also find a sense of mission which the Church is called to take up. The rite is an opportunity to voice the mission and to charge a pastor and parish with that vocation.
