

St. Michael Church

“Baby Bundles” is a project of the Friends of Chimbote Mission in Fargo, ND created to help provide basic supplies to pregnant women and their newborns in Chimbote, Peru. ACAF social workers in Chimbote, identify those in need of a Baby Bundle and provide important follow-up care and services.

WHAT TO DO

Please collect all of the items that are listed on this sheet and place in plastic bin.

You may drop off your Baby Bundles in the Narthex of St. Michael Church. Any questions please call the church office at 952-447-2491.

Detailed questions regarding the program can be directed to Friends of Chimbote at 701-364-0162 or email support@friendsofchimbote.org.

TIMING & PROCESS

In September, the boxes and other donated items will be transported from Friends of Chimbote in Fargo and St. Michael Church to Shakopee, MN where the shipping container is packed by our volunteer team. The shipping container leaves Minnesota the first week of October. It will take approximately 6 weeks for the container to travel to the coast, be placed on a ship, arrive in Peru and transported to the Mission in Chimbote.

The Baby Bundles and other container items are distributed to the poor in the Chimbote community by our Mission partner, ACAF, based on needs assessments of our Mission social workers.
