

# When are you too sick for school?

## Symptoms

## What to do

Cold symptoms but no fever ..... Go to school

**For any of the following stay home from school/see your pediatrician:**

Fever of 99 or above, Cough that produces phlegm..... Stay home

Diarrhea, Thick yellow nasal discharge ..... Stay home

Cold symptoms with fever, Vomiting..... Stay home

Flu..... Stay home until fever free for 24 hours

Burning, red, itching eyes with discharge..... See a doctor to find out whether your child has pinkeye

Raised red patches on skin that itch..... See a doctor to rule out contagious diseases

Itching blisters..... See a doctor to rule out contagious diseases
