

Hearing assistance using Bluetooth hearing aids and smartphone.

Go to the Apple App Store, or Google Play Store and download the free app: WaveCAST Audio Receiver

When in church, connect to WiFi: **HearingAssist**;
password: **hshearing**

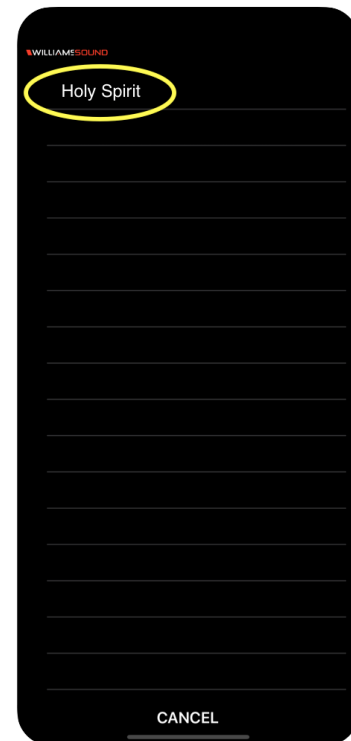

(Note: this WiFi connection is for hearing assistance only and is not connected to the internet)

Open WaveCAST app

Select Holy Spirit from the channel listing

Additional steps to connect Bluetooth hearing aids:

1. Turn on Bluetooth

2. On iPhone:

Go to “Settings” and select “Accessibility”.
Next, click on “Hearing Devices”.

If your hearing aids aren’t immediately visible,
you may need to open and close
their battery doors or use their recharger
to turn them off and then on again.

On Android:

Connect from the Bluetooth menu
