St. Joseph Catholic Church is dedicated to preventing the transmission of COVID-19. We are following CDC guidelines for sanitation, social distancing and face coverings. Even with these precautions, infections are still possible and may result in serious illness or even death. If you have concerns about your child's safety or your child or someone in your household is in a vulnerable population, you may opt to have your child participate in religious education/youth group on-line or by correspondence. If you have questions about whether your child or a family member are in a vulnerable population, please visit the CDC website:
