Have You Thought About Becoming Catholic?

Faith is something that takes time to grow, like a flower takes time to form from a seed and bloom. RCIA is a process by which the seed of faith is nurtured and it takes different amounts of time for different people. Someone wanting to become Catholic must learn about the Faith before they can make an informed decision, and that learning takes time. The RCIA process offers a wonderful opportunity to learn what Catholics believe to discuss questions, and to experience the Catholic way of life. We will have a short informational meeting after Mass on Sunday, October 13th in the Chapel. For more information call or text Margaret Horak at 989-292-1869. Everyone is welcome!

Mass with the Sacrament of Anointing: On Sunday, October 20th at our 10:30 am Mass, Fr. Bill will be administering the Sacrament of healing. Anyone anticipating surgery, are home bound, aged, feeling ill or in need of spiritual or mental healing are all welcome to come forward. A coffee social will follow in the hall. We are looking forward to seeing all of you.

A Reflection of the Gospel from Living Liturgy

2019: Today Luke reminds us that Jesus is continuing his long journey to Jerusalem, now through Samaria and Galilee. We recall that Jesus is a Galilean for whom the Samaritans were considered foreigners. The most famous Samaritan is probably the character in one of Jesus' parable know as the Good Samaritan, who offers care and comfort to the man left for dead in the ditch. Today we have not a fictional Samaritan, but a Samaritan leper who interacted with Jesus, along with nine other lepers.

Of course, the challenge is that the Samaritan was the only one of the ten who, upon being healed, went back to thank Jesus. Jesus himself seems to be surprised that no one but the foreigner, the Samaritan, expressed gratitude. Even Jesus could be surprised. And even Jesus appreciated a word of thanks.

Then, the Samaritan is sent on his way with the knowledge that his faith saved him.

There are so many occasions in our daily life to express gratitude that it can become something of a prayer, punctuating our day. Today let's make a point to express thanks to someone, cultivating an "attitude of gratitude."
