

FIFTH SUNDAY OF EASTER

April 29, 2018

We celebrate, as community, the presence of *God* in our lives. In the Eucharist, we receive *Jesus Christ* as our spiritual nourishment through the power of the *Holy Spirit*.

We joyfully welcome these young members of the *New Prague Area Catholic Community* to the Lord's table for the first time.

At supper, Jesus took bread in His hands. He gave thanks to God. Then He broke the bread into pieces. He gave the bread to His disciples. Jesus said, "This is my body."

Next, Jesus took a cup of wine, He gave thanks to God. Then he passed the cup to His disciples. Jesus said, "This is my blood. It is poured out for you for the forgiveness of sins."

Jesus told His followers: "*Do this in memory of me.*" — Based on Luke 22:17-20

A Message Regarding First Communion**Take and Eat**

It's all brand new and so exciting! These little hearts, souls, and minds are receiving the body and blood of Jesus for the first time! We make a big deal of this as we welcome them to the Lord's table. It is all so rich in Tradition and meaning. It is a BIG deal, and they approach the altar with excited anticipation, outstretched hands, open hearts, and a willingness to receive all the Eucharist offers. So... what happened? Somewhere along the way, we may have lost this appreciation. At the last supper Jesus said; "Take and eat, this is my Body... Do this in memory of me." We come to the altar bringing our hurts, joys, sorrows, pain, loss, emptiness... and we are filled. The Eucharist is our anchor; it reminds us that we are the beloved children of the King of Kings... our God. It gives us nourishment for our journey. We come to the altar with open hearts and souls to receive this gift that sustains us. It reminds us Jesus is there for us... always. It should be a BIG deal for us too. It is a BIG deal to Pope Francis, here are some quotes from him regarding the Eucharist ~

The Eucharist, although it is the fullness of sacramental life, is not a prize for the perfect but a powerful medicine and nourishment for the weak.

Jesus speaks in the silence of the mystery of the Eucharist and reminds us each time that following him means going out of ourselves and making our lives not something we 'possess', but a gift to him and to others.

So let us ask ourselves, in adoring Christ who is really present in the Eucharist: do I let myself be transformed by him? Do I let the Lord who gives himself to me guide me to going out ever more from my little enclosure in order to give, to share, to love him and others? Let us pray that participation in the Eucharist may always be an incentive: to follow the Lord every day, to be instruments of communion, and to share what we are with him and with our neighbor. Our life will then be truly fruitful.

Receiving Jesus in the Eucharist is so much more than just what we do as Catholic Christians. It is not a matter of "what" we receive, but "who" we receive. So as we welcome these little ones to the Feast of our Lord, we thank them for reminding us that it is a BIG deal... that we should follow their lead and come to the altar with excited anticipation, outstretched hands, open hearts, and a willingness to receive all the Eucharist offers. Thank you Jesus!

Western Catholic Community

From the Desk of Deacon Bob

In his homily on April 19th of this year, Pope Francis said that we are not to be "benchwarmers" in the efforts of evangelization. He preached, "A 'couch potato' evangelization doesn't exist. Get up and go! Be always on the move. Go to the place where you must speak the word of God."

In the readings chosen for today, we hear how on fire St. Paul was to preach the Word of God. Paul's evangelizing got him in trouble with the Greeks of Jerusalem. For his own safety, the apostles had to whisk Paul out of Jerusalem to the community of Tarsus. In John's first letter, he exhorts his disciples, "Children, let us love not in word or speech but in deed and truth." In the Gospel, just prior to leaving for the Garden of Gethsemane, Jesus uses the image of the vine and the branches to describe his relationship with the apostles. "By this is my Father glorified, that you bear much fruit and become my disciples." If they are truly his disciples, they are to bear much fruit by continuing to spread the Gospel Jesus taught them.

This brings us back to the image that Pope Francis used in his homily. Are we just Catholic Christian "couch potatoes"? Do we just do "what we think we have to do by obligation" to go to heaven? Instead of being alive and living our mission as disciples of Jesus, bearing much fruit, do we just lethargically remain on the couch, covered in the dust of our own Christian complacency? Pope Francis urges us to rouse ourselves from the sinkholes of our spiritual couches, brush off the dust of our complacency and follow the example of St. Paul, St. John, and the other apostles by actively living the Good News of Jesus, not just in the spoken and written word, but in deed.

In the "old days", many Catholics thought that evangelization was the "job" of the priests and the nuns. As the scriptures and Pope Francis say quite clearly, there is no room for lazy Catholicism. The job of evangelization belongs to all of us who are baptized.

An Invitation from the Green Team ~ 2018

Spring is here and it's time to start thinking about our beautiful gardens. With the parking lot reconstruction, we have added many more gardens, including three large rain gardens. Now, more than ever, we need help from students, adults, and families to help keep our plantings healthy and looking good all summer. You are invited to consider volunteering to help with: spring clean up, mulching, special projects, adopting a garden for the summer, or selecting a week or more to help weed and water as needed. Contact Kathy McNamara if you have any questions, kathy.mcnamara@swsaints.org.

SCHOOL NEWS from SWS**SWS STAFF SHOWCASE****Joan May ~ Technology Director**

Joan's journey at St. Wenceslaus began when she answered the call to a part-time technology position at the time her oldest daughter was starting her SWS journey. Joan is now at SWS full time, leading and managing the 1 to 1 program. She teaches and supports staff and students in the use and care of digital devices and serves as the lead testing coordinator. Joan has developed relationships with others in the technology field over the years for support. The C-STEM program at St. Wenceslaus fits well with Joan's passion of lifelong learning. Finding, learning, and adopting new technology tools in this ever-changing field is a challenge. Modeling safe and effective usage of the tools is a continued goal. Life with this SWS family is a treasure.

Joan grew up in Montgomery, MN, and graduated from Holy Redeemer and then Montgomery High School. She feels passionate about catholic education, as she remembers her time at Holy Redeemer as being a part of a family. Joan loves being a part of this St. Wenceslaus school community. She feels incredibly blessed that her oldest grandson goes to school with her each day, and sees this relationship as a gift.

Joan received her bachelor's degree in Business Management and Industrial Relations from Minnesota State University, Mankato. She received Technology Certification through Hamline University and Certification in STEM (Science, Technology, Engineering, Math) from the University of St. Catherine's. She recently became a Google Certified Educator.

Some of Joan's favorite things to do ~ besides spending time with her family ~ husband Marty, two daughters Allison and Kimberly, son-in-law Stephen and three beautiful grandchildren ~ is exploring Minnesota bicycle trails and traveling to her happy place ~ the North Shore.
