From the Desk of Kim Doyle

Dear Parish Members and Guests,

One of the best-kept secrets of our parish is the beautiful Catholic school that is available to every family who wants their child to receive a dynamic education of body, mind, and soul. St. Wenceslaus School is a fantastic school with a mission to give your child a stellar academic education and help your child know God by teaching vibrant faith practices and outstanding academics in preschool through grade 8. Just as our academic skills build upon each other one year at a time, the same is true for our relationship with God. Each step is essential, and over time, year after year, more is learned and set deep within the hearts and minds of our students. If you think you cannot enroll for some reason, please reach out to us and let us show you how your children can attend. We are here to support each family and want you to be a part of our school. Our families love SWS! Families connect with others and grow together as your children grow. This forms a beautiful community that cannot be replicated elsewhere. Go to our website at www.swsaints.org. Someone will get back to you quickly and welcome you into our school family.

This year St. Wenceslaus marks our 140th year. We are as strong today as we have ever been. Our STEM infused curriculum is building students who are exceptional problem solvers, higher academically, and can collaborate with others in their learning. Students of today are receiving a superior quality program. Our school has educated many generations of students in the past. Both those of the past and the current day would agree that our close family-centered environment is one of the most significant assets for parents and students alike. Our school is home to 235 current students, 3831 alumni, many others who attended along the way, thousands of parents who have been involved over the years, and many supporters and benefactors. We are excited to be holding an all-school reunion on October 13th to which all are invited. Guests are invited to register for the all-school reunion on the school website at www.swsaints.org. Help us celebrate our Catholic school by attending this event. All are welcome.

I am here to help you connect with our school if you are new or to keep you connected if you have a history with our school. Please stop by to visit or contact me for any reason, at any time.

Peace,

Kim Doyle, Principal

Western Catholic Community

From the Desk of Deacon Bob

"Amen, amen, I say to you, you are looking for me not because you saw signs but because you ate the loaves and were filled. Do not work for food that perishes but for the food that endures for eternal life, which the Son of Man will give you."

Throughout the Gospel of John, Jesus speaks of the abundance of God's generosity. With the woman at the well, Jesus speaks of giving her water so that she will never thirst again. To the people in the Gospel today, Jesus tells them that he can give them bread so that they will never hunger again. Later, Jesus will promise his disciples an abundance of God's peace, a peace that the world can never give to them.

Humanity has spent lifetimes pursuing the goal of never being hungry, never being thirsty, seeking peace and security in human life. We hear about the "American Dream", and many misinterpret this "Dream" as the ability of a person to personally amass and hoard a great deal of wealth. If we examine the lives of those who follow this false doctrine, we find extremely unhappy people. They can never acquire enough to ever satisfy them. They grasp for more and more and their hands continue to come up empty. The emptiness of this Gospel of Prosperity is that we cannot buy or own the abundance of God. The abundance of God cannot be earned nor stolen. The abundance of God is freely given to us by God.

The secret to never being hungry or thirsty again; the secret to finding the peace that Jesus promises, is that the abundance we receive from God must be given away to others, especially to those who are most in need. This is the "Holy Poverty" of which St Francis of Assisi preached and lived. It was not seeking to be poor and destitute, but rather realizing that all we are and receive from God is a Divine gift that is meant to be shared. The more we share the abundance that God gives to us, the more we will receive in abundance from God.

Every time we receive Holy Communion we must feel compelled, as the baptized Body of Christ, to go forth from Mass and share the abundance of God we have received with others.
