

Handing on the Faith

Prior to our Parent Preparation Session, please reflect on how your views on the 3 topics listed below (Experience of Christian Community, Image of God and Gospel Values) have changed or not changed between when you were growing up and now that you are adults.

- For example, for “Experience of Christian Community”: When you were in school, what was your experience of Christian community? Did you go to Mass with your family and/or grandparents? Did you participate in youth ministry events? Did you read the Bible? Compare that to your current experience with a faith community.
- What was your image of God when you were younger? Was God an old man with white hair and a beard? Was God something/someone that you couldn’t see but could experience in certain places?
