

Meet the Teacher

Hi! My name is Rebecca Gibbs and I am so excited to be your fifth grade teacher. This is going to be my fifth year at St. Antoninus and I cannot wait! I will be teaching 5th grade Science and Religion and 6th grade Science. It's going to be a fun year. I want to know all about you, but first, I'm going to tell you a few things about myself.

I was born and raised in Delhi. I am the baby of my family, with two older brothers and one older sister. They are all married and have children. I have three nephews and seven nieces! Two of my nieces are students here at St. Antoninus.

When I graduated from Seton I went to the College of Mount St. Joseph (before it was a University). I majored in Early Childhood Education and couldn't wait to graduate and start teaching. I loved teaching 5th grade so much that I decided a couple of summers ago to go back to school. I went to Xavier University to get my 4th-5th grade general endorsement. I absolutely love school myself, and can't wait to pass on my passion for learning to you.

This summer, in June, I flew out to Los Angeles, California and drove across the country for about a week with my two cousins. One of my cousins lives in Los Angeles and was coming home for the summer. We drove across the country and stopped in Las Vegas, Denver, and St. Louis. It was a lot of driving! In July, I went with my other cousin to New York City to see the Harry Potter and the Curse Child Play. It was AMAZING! It is a must see if you are a Harry Potter Enthusiast like myself! Also this summer, I worked at the Cincinnati Zoo in the main gift shop on their stock team. You may have seen me this summer walking around the Zoo. If not, I do work there on the weekends as well, so maybe you'll see me there one day! This summer was so much fun, I hope you had an enjoyable summer too. Can't wait to hear all about your summer!

When I am not teaching or planning awesome things for us to do at school...I enjoy reading, shopping, biking, traveling, and spending time with my family and friends.
