

The St. Antoninus Leadership Council
February 4, 2020.

1. The Executive Council was elected by the Leadership Council. Each term is one year, with the Vice President becoming the President the following year.
 - a. President: Judith Briggs
 - b. Vice-president: Justin Striet
 - c. Secretary: Rob Altenau
2. Charters for all our committees are currently being finalized in order to create better continuity and a focused mission going forward
3. Letters are being sent out as a follow up to families who attended the school Open House and are interested in joining our parish
4. Now that our leadership structure is set, we will start focusing on other parish projects and improvements. We hope to plan another town hall meeting to introduce the new leadership team and discuss areas of potential change and improvement.
5. The Leadership Council will meet next in April, and will meet four times a year. We look forward to keeping St. Antoninus a vibrant faith community.
