

Dear Parents,

We have compiled a list of digital resources that can help you with your child's work over the next three weeks. Many of the resources are free or can be bought for a nominal price. Please feel free to reach out to either of us if you have any questions.

#### [Scholastic Learn at Home - Free Sign Up](#)

Even when schools are closed, you can keep the learning going with these special cross-curricular journeys. Every day includes four separate learning experiences, each built around a thrilling, meaningful story or video. Kids can do them on their own, with their families, or with their teachers. Just find your grade level and let the learning begin!

#### [Khan Academy - Free Sign Up](#)

Khan Academy offers practice exercises, instructional videos, and a personalized learning dashboard that empower learners to study at their own pace in and outside of the classroom. We tackle math, science, computer programming, history, art history, economics, and more. Our math missions guide learners from kindergarten to calculus using state-of-the-art, adaptive technology that identifies strengths and learning gaps.

#### [List of Education Companies Offering Free Subscriptions Due to School Closures](#)

Thanks to Amazing Educational Resources, here is a full list of websites that will allow you to sign-up for **FREE** in order to help your child along with their education during this difficult period. Some of the websites do need you to register.

#### [The Measured Mom - Education resources for parents and ...](#)

[www.themeasuredmom.com](http://www.themeasuredmom.com)

This set of over 120 no-prep games is perfect for reviewing math and literacy skills in K-2. Just print and play! This is a free resource.

## ReadWorks

[www.readworks.org](http://www.readworks.org)

The nonprofit ReadWorks partners with K-12 teachers across the country to solve our nation's literacy crisis. ReadWorks does this by bridging the gap between research and practice in reading comprehension instruction. We leverage cognitive-science research to create high-impact instructional materials and tools that are designed for immediate use within the practical realities of current U.S. classrooms. This is a free resource.

## Teachers Pay Teachers

[https://www.teacherspayteachers.com/?gclid=Cj0KCQjwpLfzBRCRARIsAHuj6qWXdGu0SXCD3kJJB7UzNuG\\_Kvz6kwAO71D0yYU0qzLhIDwAuwxsgaAgQvEALw\\_wcB](https://www.teacherspayteachers.com/?gclid=Cj0KCQjwpLfzBRCRARIsAHuj6qWXdGu0SXCD3kJJB7UzNuG_Kvz6kwAO71D0yYU0qzLhIDwAuwxsgaAgQvEALw_wcB)

TpT is the go-to place for educators to find the resources, knowledge, and inspiration they need to teach at their best. We offer more than 3 million free and paid resources, created by educators who understand what works in the classroom. Our marketplace is growing every day to meet the evolving needs of the PreK-12 classroom. When educators get the resources and support they need, they're best equipped to inspire our next generation of learners.

## ABCya

<https://www.abcya.com/>

This website has games and activities for Pre-K to 6th grade. Activities are sorted by grade level or common core standards.

## Reading A-Z

<https://www.readinga-z.com>

Learning A-Z is an education technology company dedicated to expanding literacy through thoughtfully designed resources. Ranked the #1 reading instruction resource in an independent survey of more than 18,000 K-5 teachers, Reading A-Z is famous with educators for its extensive collection of leveled reading resources. With more than 2,000 books at 29 levels of reading difficulty to choose from, you can easily put developmentally appropriate content into each student's hands. The product also includes thousands of corresponding resources to enhance instruction and strengthen students' reading skills, such as guided lesson plans, worksheets, assessments, and much more.

## Super Teacher Worksheets

<https://www.superteacherworksheets.com/>

This website has helpful worksheets in math, english, comprehension, science, phonics, chapter book activities, social studies and holiday fun. There are some free resources or a membership can be bought for \$25.00 a year.

K5learning

<https://m.k5learning.com/>

Reading and Math for Kindergarten to Grade 5

K5 Learning offers an online reading and math program, workbooks and thousands of free worksheets. We help parents help their kids build reading, math and study skills.

Math Aids

<https://www.math-aids.com>

Math-Aids.Com provides free math worksheets for teachers, parents, students, and home schoolers. The math worksheets are randomly and dynamically generated by our math worksheet generators. This allows you to make an unlimited number of printable math worksheets to your specifications instantly.

Homeschool Math

<https://www.homeschoolmath.net/>

HomeschoolMath.net is a comprehensive math resource site for homeschooling parents, parents, and teachers that includes free math worksheets, lessons, online math games lists, ebooks, a curriculum guide, reviews, and more. The resources emphasize understanding of concepts instead of mechanical memorization of rules.

Virtual Tours

<http://www.virtualfreesites.com/museums.museums.html>

These Sites present over 300 Museums, Exhibits, Points of Special Interest and Real-Time journeys which offer online multimedia guided tours on the Web. Most of the following offer text and pictures, others in addition transmit sound and an occasional movie.

The Virtual Tours of Museums and Exhibits never closes. Visit our Online Tours anytime, and stay as long as you like.

Adventures in Familyhood - 20 Virtual Tours
