Our Mission...

St. Antoninus School, united in fulfilling the Catholic Church's mission of evangelization, education, and service, acknowledges that Jesus Christ is the reason for our school. Recognizing His presence in every member of our community, we understand the importance to serve all God's people. Inspired by our vocation, we dedicate ourselves to work with our school parents to nurture our students' God-given talents academically, socially, and physically. Our intent is to empower the students with the confidence to succeed

St. Antoninus School

A Place of FAITH, PRAYER, AND

LEARNING

Dear St. Antoninus Families,

May 4, 2020

Please join me in wishing all of our wonderful teachers a Happy Teacher Appreciation Week! We have the greatest staff around and they have definitely gone above and beyond for our students this year. If you have a moment, please take time to thank your child's teacher this week. They certainly deserve our praise.

Great news! Our festival has been rescheduled for September 11, 12, and 13. I am sure we will hear many details in the coming months. Save the dates!

Our school office has reopened this week. We are currently accepting visits by appointment only weekdays between 9:00-1:00. As regulations continue to become lifted, we will adjust our hours. You can certainly continue to contact us via email with questions.

Finally, thank you all so very much for the kind words and well wishes last week for National Principal's Day. It was so nice of you to think of me. I feel so blessed to be a part of such a caring and compassionate community. We really do have something special here at St. Antoninus. Even from afar, we are still so connected.

Stay Healthy,

Mrs. Shelly Kahny

Birthday Wishes
