- Definition of Decomposers
- List of Decomposers in Ecosystem
- Picture of few decomposers in your ecosystems

Slide 8: Works Cited

- Cite your resources
 - <https://sciencing.com/desert-ecosystems-kids-8029364.html>

You must have a picture on each slide. Pictures must be clear and appropriate. They must add to the purpose and design of the slides.

Slides should be clear, easy to read, and well balanced. There must be transitions between each slide. You must use bullet points on each slide.

Correct Spelling and grammar

Types of Ecosystems can be found on the next page. You may pick one of the Ecosystems for your presentation.
