

Meet the Teacher

Hi! My name is Rebecca Gibbs and I am so excited to be your fifth grade teacher. This is going to be my 6th year at St. Antoninus and I cannot wait! I will be teaching 5th grade Science and Religion and 6th grade Science. It's going to be a fun year. I want to know all about you, but first, I'm going to tell you a few things about myself.

I was born and raised in Delhi. I am the baby of my family, with two older brothers and one older sister. They are all married and have children. I have three nephews and seven nieces! One of my nieces is a student here at St. Antoninus and my other niece, her older sister, just graduated from St. A's last year.

When I graduated from Seton I went to the College of Mount St. Joseph (before it was a University). I majored in Early Childhood Education and couldn't wait to graduate and start teaching. I loved teaching 5th grade so much that I decided a couple of summers ago to go back to school. I went to Xavier University to get my 4th-5th grade general endorsement. I absolutely love school myself, and can't wait to pass on my passion for learning to you.

Most summers, I spend my summer vacations traveling to various places around the United States with my family. But due to Covid-19 this year, I was not able to travel. Instead of traveling, I spent the last five months spending time with my family members (aunts, uncles, nieces and nephews, my parents and siblings). I usually work during the school year and summertime at the Cincinnati Zoo, but due to Covid-19, and with the Zoo only allowing a certain number of people into the Zoo, they were not able to hire me back this year. Instead, I spent all of May and June babysitting my two nieces, Stella and Betty, and the month of July, I worked for Amazon. I truly have enjoyed spending time with my family during this time. I have really bonded with them over these last few months. I hope you had an enjoyable summer too. Can't wait to hear all about your summer!

When I am not teaching or planning awesome things for us to do at school...I enjoy reading, shopping, biking, traveling, and spending time with my family and friends.

These are a few of my favorite things:

Fast Food: Shake Shack

Color: Pink

Drink: Coke

Store: Target

Candy: Reese's Cups

Season: Fall

Movies: The Lion King

TV Shows: Once Upon a Time

Animals: Owls

Books: The Harry Potter Series
