## **THE ROSEMOND REPORT**

Dear Parents,

Our weather has certainly been an obstacle lately. That being said, we are continuing to do our best to “stay the course” here at school. Our faculty and staff are one step closer to better immunity now too. We received the first dose of the Pfizer vaccine as planned and we are to return on March 5<sup>th</sup> for the second round. Knowing this now, please plan for our school to be closed, on Friday, March 5, and on Monday March 8. Hopefully, any related illnesses will be over quickly, and we can all resume what we love to do!

We received some great news on Valentine’s Day last week! Our school was selected by hulafrog.com as a Co-Winner of “Most Loved Private School (K-8) for this year, 2021! We are humbled and happy with this designation. I’m sure this is due in large part to our great teachers and our well-behaved students. I’m very proud of both!

Together today we begin our Lenten observances. One way you might wish to strengthen your own spirituality this Lent is through reading. Fr. Haft is sending a book home today for all to do just that. I’ve read it and so have many others. It’s an easy read and does give pause for thought. I especially liked the pages on the prayer process. I learned many prayers in the past but perhaps not the “how” as much. I hope you’ll take time to read this free and informative book. Please also review with your child/children the practices of Prayer, Fasting, and Almsgiving. All three fit beautifully with the two great commandments to “Love the Lord your God with all your heart...and love your neighbor as yourself.” While loving God to the best of our ability, all else will fall into place. Let’s use this special church season to grow in our love God and for all.

Yours in Christ,

Marianne Rosemond
