

# Hi! I'm Mrs. Rolfes!

Dear Students and Parents,

I am thrilled to begin my fifth year as a teacher here at St. Antoninus. I will be teaching fifth grade Reading, Language Arts and Social Studies and sixth grade Social Studies this school year. I am from Cincinnati, and graduated from Miami University with a Bachelor's degree in Middle Childhood Education. In my free time I enjoy reading, running, and spending time outdoors with my dog. This summer, my husband and I hiked at several national parks out west.

During my years as a student, I have admired and learned from some great teachers. They have inspired me to seek teaching as my profession. I know that a successful teacher must be positive, patient, and dedicated to her students.

I believe every student possesses unique talents and gifts, and my hope is to help those talents blossom this year. It will be my pleasure to get to know each of you and I encourage you to always aim high. I am excited to make the classroom a fun and creative place to learn. It's going to be a great year!

Sincerely,

Mrs. Rolfes
