All Saints and All Souls Days 2020

These two special days remind us that God has a special plan for everyone. Before we were born, God willed for us to live with Him forever. When we were baptized, we became part of a special family called the communion of saints, who share in Jesus' gift of His holiness. The saints are people who said "yes" to God's plan for them and are now in heaven. Some were children and young people, some were mothers and fathers, some were monks, priests or nuns, and some were single people. On All Saints Day, we praise and thank God for what He has done for us through these holy people. We ask the saints to pray for us that we might love our God and neighbor the way Jesus taught us. On All Souls Day, we pray for all people who have died. We ask God to bring them to the joyful banquet of heaven to be with God and the saints forever.

The secret to their happiness then, is the secret to our happiness now--unfailing love made possible by boundless faith in God.
