Dear KJT Camper's Parent:

IMPORTANT 2019 TEEN CAMP INFORMATION

Immunizations are REQUIRED:

With the goal of providing a safe camping experience for our campers, the KJT will only accept campers who are current on all immunizations. Please refer to the Immunization History section on the 2019 Camp Application.

KJT Sickness Policy & Procedures:

Please review the attached KJT Sickness Policy & Procedure that our staff will use in case of sickness of your camper.

Authorization of Individual for Camper Pick-up:

Please note that only the named individual(s) whom you have provided will be able to pick up your KJT Camper. If a person is not indicated on the Camper Pick-up Form then the KJT Camper's contact person will be called for verification. **For your child's protection, authorized individual(s) must have a photo I.D. for identity verification. If such person does not have a photo I.D. for identity verification then the Camper's contact person will be called for verification.**

Cellular Phone Policy:

Please know that your camper's safety is our #1 concern. To do this, we ask that all cellular phones and other electronic devices be "checked in" to the KJT Camp Director for storage. With the multiple capabilities of mobile devices and the popularity of social websites, we must restrict the use of cellular phones and other like devices. If a camper is found with a cellular phone in his/her possession, the device will be given to the Camp Director for storage until the device can be returned to the camper's parent (upon camper pickup on Sunday). If a parent needs to communicate with his/her camper.

please call the KJT Home Office at 1-800-245-8182 or Camp Kubena at 1-979-249-5674 and we will contact the appropriate parties. In case of an emergency, please call Stephanie Pihoda at 979-393-8023, David Wagner at 1-979-250-3282, or Christopher Urban at 1-979-966-9363.

Camper Pick-Up Procedure:

Camp Kubena will be opening the main gate a 10:00 am on Sunday, July 28, 2019. We understand that many parents wish to arrive early with the hope of "beating the crowd", yet the easiest (and safest) way to organize camper pickup is to have the gate closed until all the camp staff are in place and ready to proceed with camper pickup. We appreciate your patience and understanding with this process.

In closing, if you have any questions and /or concerns please do not hesitate to call the KJT Home Office at 1-800-245-8182.

Thank you,

David M. Wagner

IMMUNIZATION POLICY

It is the policy of Catholic Union of Texas, The K.J.T. that every camper must be immunized against vaccine preventable diseases caused by infectious agents in accordance with the immunization schedule adopted by the Texas Department of State Health Services. A camper who fails to present the required evidence shall not be eligible to attend camp. The *only exception* to the foregoing requirement is a medical exemption signed by a licensed physician (M.D. or D.O.) authorized to practice in the State of Texas, including the physician's license number. Conscientious objections or waivers do not qualify as exemptions to this policy.

Current immunization requirements can be found at:

www.dshs.state.tx.us/immunize/default.shtm OR www.immunizetexas.com

For current immunization information and minimum requirements, changes and explanations, contact the Immunization Division, Texas Department of State Health Services.

Phone: (512) 458-7284 ext. 2316 OR 1 (800) 252-9152

My signature below indicates that I have received a copy of the Immunization Policy. I acknowledge and agree that it may be possible that one or more campers and/or attendees may qualify for an exemption described above and therefore may not have received all of the required immunizations. I further acknowledge and understand that it is possible that my child may have contact with such individual(s).

I acknowledge that I have read and understand the Immunization Policy, and by signing below, I hereby certify that my child is in full compliance with such policy. I understand that my child will be excluded from camp if he or she is not in compliance with this policy.

ACA Accreditation Camp Health Screening

This past year, Camp Kubena in Waldeck, Texas, obtained an ACA accreditation for their exemplary camp program. To sustain their accreditation, each camper must undergo a health screening for camp. The mandatory health screening will be conducted by a qualified staff member for all campers upon arriving to camp. The screening will involve an overall questionnaire on the health of the camper/staff. We will be screening for bumps, cuts and bruises prior to camp. We will also be checking for head lice to prevent outbreaks.

Pre-screening campers/staff member *prior* to camp will help prevent the spread of illness. Parents/Guardians should pre-screen their campers before arriving to camp. Check your camper for the following:

- Has the camper/staff exhibited symptoms such as nausea, vomiting, or diarrhea with the last 24 hours?
- Does the camper/staff have an elevated temperature of 100 (F) degrees?
- Does the camper/staff display other transmissible conditions (i.e. lice, pink eye, etc.)?
- Does the camper/staff have any bumps, cuts or bruises from previous activities that could become infected while at camp?

It is extremely important that campers and staff members be prevented from coming to camp with ill, or transmissible conditions. When a relatively large group of people are in a close proximity to each other, like at camp, it provides the perfect environment for the spread of illness. The spread of illness can be prevented through good hygienic practices. Staff and campers will be encouraged to thoroughly wash their hands frequently as needed, particularly after using the restroom and before handling food.

In the event our qualified staff find any of the following conditions listed above that could cause the spread of an illness, or any kind of transmissible condition, the camper/staff member *will not be permitted to attend camp for the week of July 21-28, 2019.*

For any further questions or concerns, please contact Stephanie Prihoda, KJT Camp Director at 979-968-5877 or media@kitnet.org.

Your signature below indicates your agreement with the KJT and Camp Kubena Health Screening policies and procedures, as set out above and /or as subsequently supplemented or amended.

CAMP VISITOR AGREEMENT

To Visitors of Camp Kubena Camps

This document must be signed by all visitors to the Camp Kubena Camps who are adults (eighteen years and older) and by parents or legal guardians (either, "parent") of visitors who are minors. By this agreement, certain legal rights are surrendered in the event of an injury or other loss to a visitor.

Visitor's Assumption of Risks, and Agreements of Release of Indemnity

In consideration of the opportunity to visit Camp Kubena Camps and have access to its grounds, buildings, services and/or activities, I hereby agree for myself and/or any minor child of mine who is a visitor ("the child"), as follows:

I acknowledge that a visit to Camp Kubena Camps includes exposure to certain hazards. The environment of the camp including its rugged terrain, waterfront, and natural and man-made structures, and the activities which I and/or the child may participate (including, among others, swimming, boating, hiking, and other forms of recreation) can cause loss or damage to property, personal injury and in extraordinary cases, even death. In addition, the event which may be the purpose of me and/or my child's visit may itself present certain hazards and risks, including vehicle travel over the Camp premises, the use of certain Camp facilities and equipment and the services of Camp staff, all of which include the possibility of harm or loss to me and/or the child.

I understand (and have explained to the minor child, who also understands) that activities and movement about Camp, including participation in any event which is the purpose of the visit, may not be supervised by Camp Staff. I understand that except for gross negligence and intentionally wrongful conduct, Camp Kubena Camps is not responsible for any loss which I and/or the child may suffer while at the Camp; and that visitors are at the Camp at their own risk, even if supervision is provided by the Camp. I understand and accept the risks of being at Camp and, if my child is a visitor, I have discussed the risks with my child, and the child understands and accepts them.

I hereby authorize Camp Kubena Camps, and those acting pursuant to its authority a nonexclusive grant to:

- (a) Record my likeness and voice on video, audio, photographic, digital, electronic, online format or on any and all other media.
- (b) Use my name in connection with these recordings.
- (c) Use, reproduce, publish, republish, exhibit, edit, modify, or distribute, in whole or in part, these recordings in all media without compensation for any purpose that the Camp, and those acting pursuant to its authority, deem appropriate, including promotional or advertising efforts. These recordings may appear in a variety of formats and media now available to the Camp and that may be available in the future (e.g. print publications, video tapes, CD-ROM, Internet, mobile, digital).

Social Media Policy: Social Media includes any website or forum that allows for the open communication on the Internet including, but not limited to: Social networking sites (LinkedIn, Facebook); Micro-blogging sites (Twitter); Blogs (including company and personal blogs); Online encyclopedias

(Wikipedia); and Video, audio and photo-sharing websites (YouTube, Flickr, Vine, Snapchat, Instagram). I agree not to post any photographs, audio or videos, appropriate or otherwise, which can be associated in any way with the Camp Kubena Camps on any Social Media site. I shall not take any inappropriate images or recordings, or engage in any conduct which could negatively impact the Camp Kubena Camps' reputation or that of any *Included Party*. I shall not take photographs, videos or audio recordings in any format at any sanctioned Camp Kubena Camps event, unless specifically authorized by the director. However, the use of cameras to take appropriate pictures of *Included Parties*, with their consent and for the personal and private use by such *Included Party* is **Not** prohibited. Consider the following as a common sense guide whether a proposed image is appropriate: Did the *Included Party* (including those in the background) consent to the image? Would you want to be in that image? Would it embarrass anyone? If anyone objects, do not take the image. Signage and printed matter are included under this policy. I shall not submit to any interviews by any media representative without authorization from the director. I shall not create or participate in any Social Media site that can be associated in any way with Camp Kubena Camps without written authorization from the director.

For myself and, if my child is a visitor, for that child 1) I acknowledge and assume all risks of my, and the child's, visit to the Camp, whatever the nature of those risks may be; 2) I release Camp Kubena Camps, its owners, officers, directors, staff and contractor ("Released Parties") from, and agree not to sue them for, any claim which I and/or my child may have for injury, death, or other loss incurred during or in any way related to my or the child's visit to Camp; 3) I agree to indemnify (that is agree to defend and protect, including by paying liabilities, costs and attorneys fees) Released Parties from any and all claims which I, the child, and/or a member of my or the child's family, another visitor or any other person may have for any injury, death or other loss in any way related to my and/or the child's visit to the Camp. This acknowledgment and assumption of risks and agreements of release indemnity include losses and claims arising in whole or part from the negligence, but not the gross negligence or intentionally wrongful conduct, of a Released Party.

Other

I sign this agreement for myself and, to the maximum extent allowed by law, on behalf of any minor child of mine who is a visitor.

Any dispute which I, and/or the child, may have with Camp Kubena Camps or another Released Party will be submitted to mediation if not otherwise resolved; and any mediation or suit shall occur exclusively in Fayette County, Texas and shall be governed by the substantive laws (and not laws which might apply to those of another jurisdiction) of the State of Texas. If any part of this Agreement is deemed unenforceable by a Court or other appropriate authority, the remainder of the agreement shall remain in force and effect.
