

Dear KJT Camper's Parent:

IMPORTANT 2021 YOUTH & TEEN CAMP INFORMATION

KJT Agreement for Health Screening:

To help Camp Kubena maintain ACA Accreditation, KJT camps have adopted a health screening process that is completed during the camper check-in process. Please refer to the enclosed KJT Agreement of Health Screening notice/form.

Lab Confirmed Negative PRC Covid-19 Test:

During the above Health Screening, we will ask for proof of a Lab Confirmed Negative PRC Covid-19 Test for your camper. The test should be within (5) days prior to the camp start date. We encourage you to submit this documentation prior to camp (if possible).

Immunizations are REQUIRED:

With the goal of providing a safe camping experience for our campers, the KJT will only accept campers who are current on all immunizations. Please refer to the Immunization History section on the 2021 Camp Application and KJT Immunization Policy.

KJT Sickness Policy & Procedures (Updated to provide KJT's Covid-19 protocol, plan & response):

Please review the attached KJT Sickness Policy & Procedure that our staff will use in case of sickness of your camper.

Authorization of Individual for Camper Pick-up:

Please note that only the named individual(s) whom you have provided will be able to pick up your KJT Camper. If a person is not indicated on the Camper Pick-up Form then the KJT Camper's contact person will be called for verification.

For your child's protection, authorized individual(s) must have a photo I.D. for identity verification. If such person does not have a photo I.D. for identity verification then the Camper's contact person will be called for verification.

Cellular Phone Policy:

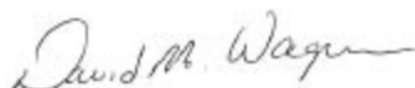

Please know that your camper's safety is our #1 concern. To do this, we ask that all cellular phones and other electronic devices be "checked in" to the KJT Camp Director for storage. With the multiple capabilities of mobile devices and the popularity of social websites, we must restrict the use of cellular phones and other like devices. If a camper is found with a cellular phone in his/her possession, the device will be given to the Camp Director for storage until the device can be returned to the camper's parent (upon camper pickup on Thursday). If a parent needs to communicate with his/her camper, please call the KJT Home Office at 1-800-245-8182 or Camp Kubena at 1-979-249-5674 and we will contact the appropriate parties. In case of an emergency, please call Stephanie Prihoda at 979-393-8023, David Wagner at 1-979-250-3282, or Christopher Urban at 1-979-966-9363.

Camper Pick-Up Procedure:

Camp Kubena will be opening the main gate a 10:00 am on Friday, July 23, 2021. We understand that many parents wish to arrive early with the hope of "beating the crowd", yet the easiest (and safest) way to organize camper pickup is to have the gate closed until all the camp staff are in place and ready to proceed with camper pickup. We appreciate your patience and understanding with this process. If your camper needs to be picked up on Thursday, July 22nd as originally offered, please contact the KJT Home Office.

In closing, if you have any questions and /or concerns please do not hesitate to call the KJT Home Office at 1-800-245-8182.

Thank you,

David M. Wagner
KJT State Vice President
