"Who Am I to Judge? Responding to Relativism  
with Logic and Love"**

Discussing moral issues with family and friends can  
be a challenge in a culture that strongly promotes  
the idea that there is no objective truth. Speaking  
from a wealth of personal experience, renowned  
author and theologian Dr. Edward Sri provides 5  
"keys" to enable Christians to oppose with logic  
and love what Pope Benedict XVI called the  
"dictatorship of relativism." He also clarifies the  
proper understanding of what it means to judge,  
and the importance of making good judgments.
