Annually we celebrate the birthday of our independence – the birth of our nation with parades, fire-works and parties.
 Why then do we have abortion laws which deny children their rights to have birthdays? We have allowed this holocaust to go on too long. It should never have become a law at all! We cannot honor the laws of man above the laws of God – one of which states “Thou shalt not kill”.
 We need to take off the blinders. We need to change.
 What we need is a human life amendment to the constitution outlawing abortion.
 Ruth Weber

Did You Know?
 If an aborted fetus at 28 weeks gestation were given specialized care, the survival rate is more than 95%.
