Pro Life Articles: **Drive-by Shootings Product
of our Abortion Culture**

There have been too many drive-by shootings recently
in America – shootings claiming the lives of innocent
people. No one human being has the right to take the
life of another! We are upset by these killings! 'They
must stop,' we say! The victims' lives were cut short
before they could reach their full potential.

But what has society taught these killers? Maybe we
are all to blame. After all, what example have we been
giving our youth?

Our society has a law which says if someone is an
inconvenience or is in the way or an unwelcome
expense, then it's OK to kill that person. That law is
called 'abortion.' The aborted babies are killed by their
own mothers.

There is no one to mourn their death. Where is the
public outcry against these killings? That law has been
in effect for 48 years! Abortion, too, must stop!

If you are willing to share what you have, God will multiply your gifts. Imagine how God can use you to nourish a hungry world. Consider being a sister, brother, priest, or deacon. (John 6:1-13)
