Please remember there is no school for grades P-8 tomorrow, Friday, October 25. Faculty will be participating in a Diocesan professional development day. Child Care is available, but you must pre-register.

### **Last Week for the Box Tops Contest**

*All box tops are due Wednesday, October 30, 2019.* Currently between the clipped and scanned box tops, students have earned a color day and a hat day! We are still 853 box tops away from a movie day. Send in those box tops for Education with an expiration date of 11/1/2019 or later, and without the word "Scan". Please remember to use the Box Tops for Education app and scan your grocery receipts. Right now we can get double credit for all box tops through the app if you both clip and scan. So please keep clipping AND scanning!

### **Reminder: Middle School Book Fair Next Week**

## Bark - Does Your Child Use iMessage, YouTube, Instagram and Snapchat?

Bark Parental Controls can help identify inappropriate bullying and sexualized comments in both apps, keeping parents informed. There are few options for monitoring Snapchat and Instagram. [You can read more about BARK here](#). BARK is the ONLY social media monitoring solution we recommend at Protect Young Eyes. When you [opt in to free Family Alerts through ASA](#), you are eligible for a discount on Bark. Please note: ASA does not receive any compensation for parents who use Bark.

## Its Time to Start Playing Video Games With Your Kids

It's time to flip the digital script. Not parents versus kids, but instead, parents with kids. I know you probably grew up in an analog world, but it's time to embrace your inner Atari and play some video games with your kids. Playing video games with your children is beneficial. [This blog post from Protect Young Eyes explains how and why](#).

Please follow ASA on [Facebook](#), [Twitter](#) and [Instagram](#).
