Use Amazon Smile this Christmas Season

Do you ever make purchases online at Amazon.com? If you said yes, then AmazonSmile is a simple way to help raise money for All Saints Academy with absolutely no extra work for you.

AmazonSmile is a website operated by Amazon that lets customers enjoy the same wide selection of products, low prices, and convenient shopping features as on Amazon.com. The difference is that when customers shop on AmazonSmile (smile.amazon.com), the AmazonSmile Foundation will donate 0.5% of the price of eligible purchases to the charitable organizations selected by customers.

Can I use my existing Amazon.com account on AmazonSmile? Yes, you use the same account on Amazon.com and AmazonSmile. Your shopping cart, Wish List, wedding or baby registry, and other account settings are also the same.

Just go to smile.amazon.com and set up your account. It takes less than five minutes. If you already have an Amazon account, just log in with your same credentials on the smile.amazon.com website and you will be

all set. BE SURE to choose All Saints Academy as the charity that benefits from your purchases. When asked to select your charity, click in the search bar and type in All Saints Academy, be sure to choose the one located in Grand Rapids and founded in 2007, and you're done!

Then, every time you shop, you get the same terrific prices, the same shipping terms...everything is the same. AmazonSmile puts a small percentage of each eligible purchase into the ASA account and saves it for us. Every month they tally-up our account and send All Saints Academy a check. So the more everyone spends the more we earn!

Sign up for AmazonSmile as soon as you can. Tell your family and friends and neighbors to list All Saints Academy as their designated charity. And every time they shop at smile.amazon.com, our students will benefit!!!

Are your kids #predatorproof?

In the digital age, too many nice kids don't know how to handle nice questions online from people they don't know. This is a dangerous situation! Read about how one teen almost found trouble on Snapchat because he didn't know what to do with a seemingly "nice" stranger.
